Grade 6

Dear parent/guardian,

Elmore Primary School is looking forward to another great year of teaching and learning and would like to advise you of Elmore Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Students will have access to all resources and subscriptions listed in the curriculum contributions and other contributions areas, regardless of the school receiving any payment from families.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. In recent years our school has benefited from a comprehensive refurbishment, with the Elmore Primary School Council contributing towards renewing student furniture, additional fixtures and purchasing digital displays in each classroom.

In 2024, we aim to complete grounds works which will enhance the appeal of our school entrance and play spaces for our students. We are eagerly looking forward to the learning opportunities that these will present. Your consideration in supporting the school to further resource these spaces would be greatly appreciated.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Aaron Taylor

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

• Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES
