- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association

VISION

Elmore Primary School's vision is to provide quality education that establishes foundations for successful life-long learning.

MISSION

Elmore Primary School mission is to provide a safe and supportive learning environment where high expectations and meaningful partnerships are prioritised and valued. Learning is extended through the provision of a wide range of individualised opportunities that support students to become inquisitive, socially responsible and resilient lifelong learners.

At EPS we strongly value and foster the relationships we develop with our learners, our parents and families. We are a learning community committed to ongoing growth and development. We believe that learning is a partnership, where best results can be gained with the collective input of our learners, their parents and our teachers. With this in mind, we regularly collaborate to develop personalised learning goals for each student and identify researched strategies to inform progress and to individualise the learning experience.

At EPS we actively incorporate opportunities for students to engage with their local environment and community. We believe in developing informed and connected learners who are able to problem solve and see the many opportunities both within and beyond our school community.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Elmore Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school.
